

A Great Sailing Experience for the Disabled Community

Situated at the beautiful Wimbleball Lake in Exmoor National Park, members of the Wimbleball Sailing Club offer those with disabilities the opportunity to enjoy the experience of going on the water.

Wimbleball Sailability is a registered charity and every Wednesday and Friday between May and September we can take you for a sail in our large, safe, sailing dinghies and cater for Wheelchair users in our easy access powerboats.

For those with sailing experience you may also be able to sail on your own, or with an experienced "buddy", to help improve your skills in smaller, stable, especially adapted sailing dinghies. Keen sailors can also benefit from our ability to offer the RYA Sailability Certificate of Achievement.

The Wimbleball Sailing Club offers a full range of amenities including:

- A large adjacent car park
- Seating inside and out with quiet areas
- A fully equipped kitchen that can be used for food preparation
- A specialised toilet and shower facility with full wheelchair access
- A hoist to help people on and off boats
- Dedicated powered wheelchairs available to assist those with restricted mobility
- Life Jackets

Wimbleball Sailability is the weekly highlight for a number of residents of local care homes, many of whom come every week during the summer season. Going out on the water is a great experience for all supported by our team of knowledgeable and dedicated Volunteers. We are now offering the same experience to all disabled individuals throughout the Region looking for a unique, safe and exciting activity.

Come along to our Open Day on Saturday 11th May 2019 to meet us and explore the different ways you can get afloat. We're open from 11am to 4pm offering the chance to experience going on the water.

Of course Wimbleball Sailing Club welcomes everyone that's interested in Sailing or learning how to sail and is open Wednesdays, Fridays, Saturdays and Sundays between May and September and Sundays between October and April.

**Our address is Wimbleball Sailing Club,
Wimbleball Lake, Brompton Regis, TA22 9NU.**
